

Appl. No. 09/675,020
Amdt. Dated January 3, 2006

Attorney Docket No. 81841.0161
Customer No. 26021

REMARKS:

Applicant would like to thank the Examiner for issuing the Notice of Allowability. Applicant initially elected product claims in response to the Restriction Requirement dated March 18, 2002. Presently allowed claims 1-25, 31, and 32 are a result of this election. New claims 33-37 correspond to original process claims 26-30, respectively, except that they have been amended to depend from allowed product claim 1. No new matter is added. New claims 33-37 are therefore, believed to be patentable for at least the same reasons as claim 1. Pursuant to MPEP 821.04, Applicant respectfully requests that new claims 33-37 be afforded the benefit of a rejoinder and that claims 33-37 be allowed.

If there are any fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-1314.

Respectfully submitted,
HOGAN & HARTSON L.L.P.
